# WebWHMIS™

& Simply! Tracking™

Multimedia Web-Based Training and Tracking

# WebWHMIS...the leader in online WHMIS training and employee tracking/scheduling

## 'Orientation to WHMIS' 101

Serious about WHMIS training? Since 1994, 'Orientation to WHMIS' has provided the most comprehensive WHMIS training to employees at hundreds of companies. Now available on the web!

## 'Annual Refresher' 102

Orientation to WHMIS Annual Refresher Quiz evaluates employee WHMIS knowledge while providing a quick refresher in the basic elements of WHMIS. Highly interactive quiz forces employees to apply 'real world' knowledge. Annual Refresher Quiz is written in a light and game-type manner with sound effects to motivate students.

## WHMIS 'for Supervisors' 103

This program goes deeper into WHMIS and teaches supervisors their responsibilities in areas such as WHMIS training requirements, MSDS availability, WHMIS penalties, contractors, etc. Links to online WHMIS legislation. Time: 60 minutes (Jan 2002)

## Features

- Multimedia with audio
- 7 self-paced tutorials
- Resume course feature
- WHMIS glossary
- Simple to operate
- Highly graphical
- Customizable options
- Eliminates scheduling
- Consistent training
- Available 24 hours
- Trains new employees
- Automatic quiz scoring
- Prints certificate

## Simply! Tracking™

Track employee training at multiple locations throughout Canada. Reschedule employees for training by location, department, and job title. Generate detailed employee reports. Do it all from your office or on the road using a web browser.

## Color Coded Employee Training Due
